

Dear Lee - It's always hard for
me to sign yearbooks because
it's hard for me to say good-bye
the way I want. I'm glad
I've gotten to talk to you alot
this year in journalism - and
I've enjoyed throwing paper
balls at the trashcan. I still
owe you money. I know ~~it~~
you'll read this again & again
throughout this book, but I
will miss seeing you next
year and this summer. Good
luck at Appalachian next year
and in the future.

Love,

Ashley

Nelson,

This year has been bad
as shit and this summer
will be ever better. The

at the Tavern

See, I'm not later
going to say that

Wood Luck!
Take care,
Jordan
Reese

Lee,
Well we're through
one more year I wonder
how many we'll make it through
in college. That's when all the
real partying is supposed to start.
Maybe one day Tsolkas will get his car
fixed and maybe he'll be able to set some
bs out and show him some of your casanova moves.
Stay straight over the summer! at least try not to get
wasted and wreck like it easy and come up to E.C.U. and party
with me and Tsolkas. Later.

Lee,
I'm so glad that we've

I even had a crush on you
then, and you gave me a TV8
T-Shirt. You are ~~a really cool~~ ^{such a}
person I know and I'm really
gonna miss not seeing you after.
It's hard to believe its all over but

THE DEMON TRADITION

my coach
give me a joint

Nelson, You are stoned
as hell while you piss
on a tree in the yard
of a man who is

cause you drank BUDS
out of a cooler that is

the best seat beside Wolf
who is also stoned well

Character can be defined as the mark that shows distinction among others. This is Reynolds. And what gives Reynolds the character and distinction is **TRADITION**.

Excellence of tradition is a unique quality of RJR that commands love and respect from students, faculty, and other high schools as well. It is not only the blend of age, beauty, and superb academics that enhances her tradition; it is the people, our Reynolds Demons.

A Reynolds student progresses in his education, yet what we as students are taught does not always deal with books and numbers. The laughs, the jokes, the friendships and tears are not official courses, but what we learn from these subjects registers a mark not on paper, but in our hearts.

Oh, we made it through. But
 M.J.H. + now Reynolds. But
 we never made it up to the
 the mountains. Oh, I will
 have enjoyed knowing you in the
 past 4 yrs. You are a sweet girl.
 I will always remember you.
 hope I see you a lot over the summer
 keep in touch + have fun in the
 future!
 Love ya,
 Donna

The demon has represented Reynolds for fifty-six years, standing as the symbol of our pride and relentless fighting spirit. The demon spirit is the catalyst which sparks our ambitious attacks in sports and supports our extra-curricular activities. This spirit develops into a keen attitude that reflects our outlook and performance in all the services we perform for Reynolds. As the Alma Mater clearly says, "Our school of great tradition gives us all ambition." It could not be said any better.

The demon spirit and Reynolds tradition join together forming the main artery that gives life to **RJR DEMON TRADITION**. To focus on the one aspect of Reynolds that makes it one of the finest high schools in North Carolina, one must fully realize our demon tradition.

Demon Tradition is the new face we meet, then never see again. It is the night we all cried when the game was lost. Or it is the time when we won and all was good. It is the party that lasted until two o'clock and the special time devoted to a close friend. It is all and everything we have done during the two short years at Reynolds.

Tradition is the ideal, and the demon spirit is the drive. Can this part of us be taken away? The full impact of our years at Reynolds may not be totally acknowledged until later when we've left her arms forever.

DEDICATION

"The students here at R.J.R . . . seem to be enthusiastic about learning and seem to have the same deep indescribable feeling for Reynolds that I have maintained since I graduated from this school in years past."

Wilson Alexander considers his students an inspiration. He enjoys seeing young people grow as individuals as well as watching them as they mature in their thinking and actions. Undoubtedly, this is why he is both respected and accepted as a friend by the student body.

Mr. Alexander has been teaching for twenty-five years. He began his teaching career here at Reynolds High School in the late fifties. Since then, he has taught at several area schools including Hanes High School, Mount Tabor High School, and North Forsyth High School. For the past five years, he has been a part of our Social Studies Department. Mr. Alexander teaches a variety of courses: Pre-Twentieth Century America, Twentieth Century America, Contemporary American Society, Government and Political Action, and Today's Government.

In addition to teaching, Mr. Alexander is involved with Reynolds athletics. In past years, he has coached a variety of sports including football, basketball, baseball, track, and wrestling. This year he has assisted in the coaching of the football team, as well as the baseball team.

Mr. Alexander, often referred to as "Coach," has contributed to Reynolds High School not only his teaching and coaching ability, but also his humor and spirit. Since he is an alumnus as well as a faculty member, Reynolds High School is more to him than a physical structure. He acknowledges the special feelings he has toward our school. With great honor and pleasure, the Senior Class of 1980 dedicates this sixty-ninth volume of the **Black and Gold** to Mr. Wilson Alexander.

Homecoming 1979 proved to be one of the best ever, for the first time in several years, Reynolds won their Homecoming football game. The Demos scored the first touchdown. Smith came back to tie the game in the third quarter. Enthusiastic students, as well as alumni, parents, teachers, and other fans cheered as Reynolds rallied to defeat the Eagles 14-7.

The half-time festivities, spotted with smiling faces and flashing cameras as the Homecoming queens and court members were announced. Kim Perry, sponsored by Pastor Blake, and Patricia Wilson, sponsored by Steve Peterson, were crowned as the 1979 Black and Gold queens. The court members were Joanie Beckman, Sherry Davis, Sharon Mason, and Lisa Volek.

The Homecoming dance sponsored by the Key Club, was well attended and provided a perfect ending to the day's activities. Over 200 students, dressed in everything from suits to blue jeans, gathered in the girls' gym to listen and dance to a variety of pop, soul, and beach music.

Homecoming 1979

Before the sun even hinted of rising, Reynolds students arrived on campus to assemble and put the finishing touches on their organization's Homecoming project. For weeks, the service clubs and the band and the Dancing Boot members had worked to create the most original and creative floats. The culmination of their efforts was presented to the student body in the horseshoe early Friday morning. The sleep-starved students dragged through the day in anxious expectation of the afternoon pep rally, when the winning floats would be announced. Members of RGC and the Junior Civitans were elated to hear that their float, entitled "Bald the Eagles," was voted the best. The Anchor Club took second place, and SGSC and SSC came in third.

Pep Rallies contributed much to school spirit this year. Led by the cheerleaders, the student body yelled and clapped enthusiastically. The Dancing Boots performed outstandingly. The band added to the excitement by playing such traditional tunes as "Shine", "Go, Black Demons, Go!" and "Free Ride." Although discouraged by faculty members, class rivalry continued this year. It was not uncommon for students to engage in "Seniors-Juniors" chants

Key Club Follies

A Cherished Tradition

Sponsored annually by the Key Club the Follies have become a tradition at Reynolds. The 1980 theme "Still Crazy After All These Years" related many perspectives, feelings and expressions about the close of the decade. A committee composed of faculty members and students selected 16 acts out of the more than 60 which auditioned. Hours of practice went into each act and the result was a fine display of student talent. With graduation only two months away, the Follies are the last major event in which the seniors participate together. The evenings of March 21 and 22 were highlighted by the antics of emcees Tommy Doughton and Eric Hinder.

I have a great idea
 for a new project. I want to
 make a book about the history of
 our school. I will ask the
 principal for some old photos
 and stories. I will also
 interview some of the old
 teachers. I will write
 down everything I find out.

I'm really glad I got to
know you this year. Remember
at the wind parkies at Sue's
house after the football games?
Well you're a super sweet
guy and a great friend!
I wish you the best of
luck next year at school
Take care! Love ya

Friends Always

Dear Lee,
You are without a doubt
one of the most terrific guys
I have ever met. Knowing you
was one of the best parts of
the year. I'm gonna miss you,
but I'm sure I'll get you
around this summer somewhere.
I'll be careful not to get too
close, & for God's sake, stay out
of trouble, until I see you!

The House of Representatives

The first step in the process of
 identifying the appropriate
 information for the project is to
 determine the scope of the
 project. This involves identifying
 the objectives of the project and
 the resources available. Once the
 scope is defined, the next step is
 to identify the specific information
 needed to complete the project.
 This can be done by conducting a
 needs assessment or by consulting
 with the project team. Once the
 information needs are identified,
 the next step is to develop a
 plan for obtaining the information.
 This plan should include a timeline
 for the project and a list of the
 resources needed. Once the plan is
 developed, the next step is to
 implement the plan and collect the
 information. Finally, the information
 should be analyzed and used to
 complete the project.

SPORTS

Fall

A Season

To Remember

Demon Football

A Tradition of Winning.

1979-1980

The 1979-80 Reynolds football team finished a hard fought season with a 6-3-1 record. The Black Demons lost two crucial conference games, yet succeeded in being the only team in District 8 to defeat 1979 state champion High Point Central. Reynolds succumbed to North Forsyth in sudden death overtime in one of the greatest rivalries in Forsyth County. While the team was considered to be one of the most talented in the county, it failed to clinch a playoff berth. At the annual football banquet, following the season, awards for excellence, which were voted on by the players, were given out. Linebacker Norman Bartlett was named the season's Most Valuable Player. Other awards were as follows: Best Offensive Back, Reginald Lamkin; Best Offensive Lineman, John Pack; Best Defensive Back, Tommy Gregg; and Best Defensive Lineman, Steve Peterson. Tight-end Frank Frederic was named to the All-State Team and was invited to play in the annual North Carolina - South Carolina Shrine Bowl.

Among the players making the All-City Team were Frederic, Peterson, Gregg, Bartlett, placekicker Eric McCarthy, and Aaron Wardlow.

Reynolds First Year

Soccer: Success

Soccer is a new addition on to the Reynolds sports scene this year, and it added much to the winning tradition in our sports program. In only the first year of competition for the team, it finished third in the conference. Led by John Mallen, Bert Kirk, and Shaun Gervasi, the team's only losses came to state powers Page and Greensboro Grimsley. Four of our eight victories came against county rivals North, East, West, and Parkland. Once again, the Reynolds determination and spirit paved the way to a victorious soccer season.

The Demon girls tennis team put on an awesome performance this season. Under the coaching of Renny Breedin, they defeated every competitor that took them on. The lady Demons completed their season with a 14-0 record.

As a team, the lady Demons successfully won the conference and sectional titles.

The most valuable players were Susan Clements and Kim Christman. The sportsmanship award went to Maria Law. The most improved tennis player award went to Cindy Delastatious.

Many individual accomplishments were reached this year. The number one Doubles team, Susan Clements and Kim Christman, won the sectionals and advanced to the semi-finals in the regionals and quarter finals of the State. The number two RJR doubles team, Ginny Goodwin and Maria Law, reached the semi-finals in the sectional tournament and qualified for the Regionals. Cindy Dellastatious and Elizabeth Yost played singles in the sectional tournament. Dellastatious advanced two rounds.

The Reynolds 1979-1980 girls volleyball team had a disappointing season this year. They did show promise as they won two of their last three games. Sporting a very young team, the Lady Demons produced 5 wins and 9 losses overall. During conference play the girls won 3 games and lost 7.

The girls were led by co-captains Sally Chaplin and Penny Johnson. These co-captains also shared the Most Valuable Player award. Theresa Hall received the Most Improved Player award, and Carla Norman received the Sportsmanship award.

Following Reynolds tradition, four of the Lady Demons five victories were against city rivals North Vikings, East Eagles, West Titans, and Parkland Mustangs. With a strong showing at the end of the season the girls showed that the Demons will be back next year to carry on that Reynolds winning tradition.

VISITOR HOME

The 1979-1980 Varsity Basketball team had an outstanding year. With an experienced team, the Demons started four seniors, and the team finished second in the District 8 regular season. Coach Rich Habegger added, "This is our strongest team since the 1975 state champs."

Reg Lamkin and Tommy Doughton led the patient Demon offense. However, defense was the key to the season, along with the strong bench.

Besides starters Lampkins, Doughton, Hondros, Archie and Johnson, Reynolds received strong support from Eric Hager, Jerry Greenwood, and Scott Jones.

This year has been especially satisfying to Reynolds because of their wins over city rivals East, North West and Parkland. With these and other conference victories, the Demons have carried on the tradition of winning at Reynolds campus.

With the return of three juniors next year's team looks as equally satisfying.

1943-44 Basketball Team

The 1979-1980 Reynolds wrestling team turned out another successful year. After a season opening loss to South Stokes, Reynolds ran off eleven consecutive regular season victories. Included in those victories were wins over West, East, North and Parkland. Reynolds was also ranked in the top five in the Northwest wrestling poll for most of the season. Along with regular season victories, Reynolds won the District 8 tournament. Leading the way were district champs Eric Fippinger, Robert Baron, Stephon Poplin, and Mike Malone

Reynolds also had many second place finishers in the District Tournament:

Graham Summerson, Eric McKay, Chris Linville, Norman Bartlett and Richard Lord

In the Sectionals, which were also held at Reynolds, Fip-penger finished first. The remainder of the team also finished with high scores.

1979-1980
Boys Tennis

Opening the season with a 9-0 victory over the West Forsyth Titans, the Demons Tennis team showed their strength early. Coach Clark Taylor said of his team, "I have coached fine teams in previous years but never one with as much potential as this year's team." Taylor accounted this year's success to the fact of such a fine junior squad. Taylor went on to say, "Five of the top six starters are juniors." The top six players, Craig Peatross, Jamie Bean, Jimmie Bullock, Dean Polk, Steve Hayes, and John Love, combined with the remainder of the team for victory after victory to add an additional link to the chain of winning as a Demon tradition.

Coach Herman Bryson

1979-1980 Golf

Coach Herman Bryson fielded another strong Reynolds Golf team. The Demons needed the experience of returning lettermen David Peddycord and Jay Perry. Other qualifiers for the Demons included four freshmen, four juniors, and one additional senior. The addition of these Freshmen gave Reynolds the needed support to have another successful season on the greens.

1979-1980
Softball

The girl's softball team completed another successful season this year. With the combination of experienced seniors and talented juniors, coaches Rich Habegger and Will Alexander developed a winning series. The team opened their season with an impressive 11-7 win over the West Forsyth Titans. From then on the Lady Demon Softball team showed their

strength in the city as well as the District Eight.

Coach Alexander commented on the team, "This team has a lot of potential; the girls portrayed the spirit of the Reynolds Demon during every game."

With the experience gained from this year's juniors, next year's team looks equally as exciting.

Girls Soccer

This is the first Reynolds Girls Soccer team since the 1940's. Their season this year determined the future of the program. There were no playoffs this year with the schedule consisting of six teams being played twice.

Coach Spear expected the best of his athletes, with excellence and determination displayed in their performance. Spear considered their strength to be their young team, being fast and determined to prove themselves.

Captained by Blandy Fisher, the team looked forward to a successful season, demonstrated by the performance of some of the individual standouts. Allison Lippard, the center forward, and top scorers, Anne Glenn and Lacy James, and Peggy Shugart, goalie, made an excellent show.

Due to the size of the girls track team, many girls had to participate in several events. The team spent many hours of hard practice to perfect their skills. The team carried the Demon tradition of spirit throughout the season.

With the many fine Juniors on this year's team, next year's team looks very promising . . .

OS HIGH SCHOOL
CLASS OF 1962

For the first time
this is what a
producer of vinyl records
truggled with
to get the picture.

Alma Mater, Alma Mater, Hail our Alma Mater!

If anyone can look at this annual and see more than just snapshots and lines in print, then this chapter is a success. I hope so because the **Black and Gold** is an unfinished book that began in 1923. The 1980 edition is just the new summit in an ongoing epic.

To me that is the purpose of working on the annual — to document our past and not let it that the Class of 1980 has accomplished slip into nothingness. Simply, the annual is a material memory on paper.

Now that I am at the close of twelve years of high school I find myself at

a loss for words. All that could be said has been said before. I do owe a lot to my parents, more than I will ever be able to express here. It looks like all the people I have become close to are going away, but that can't be helped.

I believe that it is important to remember what we have learned here and who has shaped our personalities, for this determines our future. For myself it seems that we may not always get what we want but what we deserve, and I believe the key to personal achievement is to make what we want what we deserve. Take care.
